

Waldoboro Coffee Klatch

Session 1, April 4

Open Discussion

Potential Vision for the Future:

Through strategic land use, River-centric activities, and competitive broadband infrastructure, Waldoboro is recognized statewide as a recreational, cultural, and business destination for visitors and residents of all ages.

and/or...

Waldoboro has reestablished itself as a Town at the forefront of technological innovation, with multi-faceted eco-tourism, a vibrant creative economy, and a quality of life that supports a diverse and multi-generational residential population.

Notes

Regional service center

Town should look for new ways to make information available to residents and visitors

- Strategy: newsletter, establishing and maintaining community mailing list

Town should look for opportunities to increase public access to the Medomak (passive recreation) – raise visibility

- Eco-tourism
- Agri-tourism
